

WEDDINGS AT CHARINGWORTH MANOR

THE START OF YOUR DAY

Every second of your day is precious from the moment you arrive to your final farewells. So it goes without saying that the setting you choose must be perfect.

In the heart of the Cotswolds with simply stunning views across the beautiful rolling English countryside, Charingworth Manor has everything you could wish for as a venue for the most important day of your life. The manor itself with its mellow Cotswold stone dating back over 700 years is steeped in history and romance; it nestles in over 50 acres of beautifully tended gardens, lawns and grounds, all adding to its unique charm.

The overall effect is one of tranquillity and style – somewhere that will be unforgettable, not just for you but for everyone who shares your day. We would love to give you the opportunity to feel the atmosphere at Charingworth Manor, enjoy a stroll around and take in the panoramic views for yourself.

Nothing is too much trouble for our Wedding Team who will be delighted to talk with you and tell you more about how we can turn your day into something exceptional.

Charingworth Manor has always been a popular choice for weddings, offering you the charm and character of a 700 year old Manor set in the heart of the Cotswolds with beautiful views of the surrounding countryside.

Our beautiful orangery has been designed to complement this ancient manor house and is ideal for wedding ceremonies for up to 120 guests.

Enjoy the panoramic views of the Cotswolds country side over your wedding breakfast or drinks reception for up to 150 guests.

For those looking for a more intimate setting, you can chose from either the Upper Conservatory that opens out onto the hotel's main lawn or the charm of our restaurant in the heart of the manor house which also leads out onto the hotel's terrace where you can enjoy the sensational views overlooking the Cotswold Hills.
